The Recipient of Electronic Files acknowledges and appreciates that as a favor, without compensation to the Recipient of Electronic Files, Global Fire Engineering, P.A. (hereinafter GFE) will provide certain electronic computer aided drafting (hereinafter CAD) files for use on the above referenced project for recipient's own preparation of shop and/or coordination drawings. Recipient assumes all responsibility to determine if this CAD information is applicable and/or accurate for the intended use.

The Recipient of Electronic Files agrees to accept the CAD files from GFE without any warranties, guaranties or other representation of any nature concerning accuracy or completeness of any information described or depicted therein with respect to any dimensions, measurements, fit field constructions, or criteria. The Recipient of Electronic Files further agrees to release, indemnify and hold harmless GFE with respect to any claims, cost and/or liabilities between GFE and ourselves and/or a third party to whom we release information, arising out of or relating to the accuracy and/or completeness of this CAD information.

All materials in the nature of computer aided drafting files are instruments of GFE for use solely with respect to this Project and GFE shall be deemed the author of these documents and shall retain all common law and statutory and other reserved rights including copyright thereto. Notwithstanding the foregoing, such copies of CAD documents shall not be used by the Recipient of Electronic Files on other projects, for additions to this Project, or for completion of this Project by others. By opening the project files, the recipient agrees that the use of any detail produced by GFE for any other project, without written permission, shall entitle GFE to a punitive payment of \$5,000 per detail, per use.

By opening these files, I certify that I am an officer of the firm, or have permission from same, to receive the electronic files and am authorized by same to provide and agree to the above terms and conditions.
